Hello California Senators and Friends,

In November, I had the opportunity to travel with Region X Vice President, Clarence "CJ" Jorif to Las Vegas, Nevada to the Nevada Jaycees and Senate reunion. They have them twice a year and invite all Senators and past Jaycee to the reunion. I had a wonderful time and truly appreciated their hospitality. This is a great idea for the California JCI Senate and the California Jaycees to invite current and past California Jaycees to get together and remember why we all became part of this organization: to help others and form lasting friendships.

The following week we all met for our November Board meeting in Santa Rosa, California. Santa Rosa is a beautiful town with so many things to visit and enjoy. Thank you, Katina Repp, for finding the hotel and planning so many activities for all of us to enjoy during the weekend. Our weekend started Friday night with a wonderful dinner put on by our Vice President, Jeanne Vanderhyde and a wine tasting hosted by Katina and Dave Repp. Saturday morning it was nice to see so many senators from the northern area at our meeting, including Santa Rosa Senator, Gary Simmons and Past CA JCI Senate Presidents: #18 Chuck Davis and #20 Jack Myers. We had a great meeting remembering our favorite holiday projects that we ran in the past and some of us still take part in every year. This is why we meet to remember why we became Jaycees in the first place, for the people we helped and will continue to help. We had an amazing afternoon together visiting the Charles Shultz museum. If you get the chance to go to Santa Rosa, this is a must see museum!!!

Congratulations to Board Member of the Second Quarter, Vice President Jeanne Vanderhyde for running a successful 1960's sitcom weekend. The slinky races were lots of fun. Thanks to Doug Meyers for making the slinky racing track! Congratulations to Senator of the Quarter, Denise Lyons-Conrad and Arman Gunnerson "Return the Favor" Memorial Award to Carrie Spencer. Thank you to all our Senators who help our organization every day.

I had a wonderful time visiting with everyone in Santa Rosa. Thank you to Caren Glines-Spilsbury for traveling with me and special thanks to Gina Kortz for picking us up and dropping both of us off at the airport…You Rock!!!

The Southern Holiday party hosted by our Southern Directors: Kris Julin and Sonia Rodriguez was so much fun! Thanks to everyone who attended and special thanks to Kris and Rodger for hosting the party at their home.

# Vice Presidents Report

Happy New Year!

We made it through the 60's and it was fun. Santa Rosa was visited by a number of characters from the 60's. Congratulations Tess & Judy. Judy also won the slinky races. Thank you, handy man Doug for building the slinky racHape course. Fun was had by all! Special thanks to Dave and Katina for the Friday Night Wine tasting, the Saturday events and setting up everything in their home town. We had a great time. I also need to thank the usual suspects/characters on my team, Gina, Debbie, Steve Procedo, Cary Tilka, and Laurie. Without them the wheels would fall off this train. Thank you so much.

Time sure does fly by….The 70's are here just in time for the February meeting. The seventies was an interesting time for TV sit-com's; 'All in the Family', 'Maude', 'Three's Company', 'MASH', 'Soap', 'Good Times', 'Taxi' and so many more. We have a great weekend planned for you.

In the suite we are planning a lot of fun. Friday night we will be going out to dinner as a group. We have reservations at Outback Steakhouse. We will meet in the lobby at 5:45 and walk across the parking lot to the restaurant. After that we will have light hospitality in the suite until we fall asleep.

As this is a Jaycee weekend we will have a light lunch in the suite before we mingle with the Jaycees, help with judging, or jaunt off to see the local sights. The hotel in Norwalk is only 13 miles from Disney and other great attractions. The Bowers Museum of Cultural Art is also 13 miles south. It is the 1st US museum with a joint alliance with the British museum, should be interesting.

Make sure you are back. Saturday evening will have the 70's sit-com costume contest. Dress as your favorite character. There will be trivia contests, Pet Rock races, and other games and surprises. Seventies era food will be provided throughout the weekend. Swedish Meatballs and Chocolate Fondue are on the top of my list.

There will be bagels and toast in the suite with coffee to get you on your way home on Sunday.

I am looking forward to a weekend of happy faces and disco. But most of all I look forward to seeing all of my Senate friends.

See you in Norwalk,

Jeanne Vanderhyde

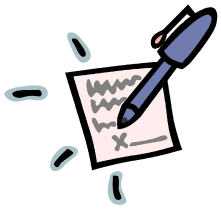
# Take Note… From Your Secretary



Greetings Fellow Senators,

Can't wait to see you all in Norwalk! Since I have been working for the Norwalk Chamber of Commerce these last few years, it makes me smile to think you are all coming to visit "my town." The DoubleTree Hotel is very lovely and the staff is excellent! Our Sales Rep, Joceline is a close acquaintance and I know she will take very good care of both the California Jaycees and the auxiliary groups. If there is anything you might need while in Norwalk, be sure and let me know.

On another note, if any of you are in contact with Senators who we have lost touch with, please feel free to pass their contact information on to us. We would like to build a comprehensive roster with correct information for all to be able to access.

Thank you to all who submitted articles on time, and for the photos that were also submitted. It helps make our newsletters wonderful to be able to see great photo's of good friends!

Yours,

# Regional Reports

## REGION 1 & 2 REPORT

A very Happy New Year indeed to all my fellow Senators.

Not too much to report, Rodger and I hosted the South's Winter Social, which was attended by 14 wonderful people. The gift exchange was a complete success, as president Lorraine wanted a happy childhood memory theme gift. Some very interesting gifts which included alcohol ( I thought you had to be 21 to drink) a baton, boxer shorts with Dr Seuss plus many more happy childhood memory gifts.

We have not firmed up a date for the half yearly wine tasting social, but it will be in April, at Sonia Rodriguez's newly renovated house, which she will be dying to show off.

Most of you will be aware that I am the planning chair for the Region X meeting in Anaheim in March, please see flyers and info in this mail out

**World Congress, Brussels, Belgium 2011**

The World Congress in Brussels, Belgium was very well organized for the JCs, but for the Senate, it was the worst I have ever attended.

The Senate tours bar one, were very expensive, but the same ones for the JCs were considerably cheaper, so I went on those.

My husband did not have a ticket for the Senate lunch in his pack, and JCI refused to deal with it, then when I went to the registration desk, after one tour to deal with the Senate lunch, as no one could be bothered to be there in the morning, I am threatened with the most disrespect I have ever been treated by JCI, who are responsible for the Senate program. I am then told all the lunch tickets had been exchanged and there were non left. So I pay all this money I cannot even go to the Senate lunch which is my entitlement.

In addition there is no Senate lounge for the Senate to get together and catch up with old friends, except they put on one hour at a casino, far from the Senate hotel, at 11pm to midnight, for 3 evenings. Obviously this caused a lot of anger from the Senate, That a number of Senators boycotted the event. 700 senators attended that event and were provided with very little, but JCI received a huge amount of money out of those registrations

A contract had been produced many years ago, that JCI were to provide the Senate with certain requirements, which were completely ignored, the poor European Senate President Ulrich, used his room as a very small senate lounge. He very nearly refused to go. I received a copy of a letter he sent to JCI, which he stated just how angry he was with the poor treatment we as the Senate receive

At one of the Senate meetings, Earl Sawyer said that the Senate did not exist as an organization under JCI. This caused nearly a riot, The constitutional document had to be brought out, which contradicted what he said.

The way the Senate are treated at congresses need to be seriously dealt with, as more and more senators will not attend, thus JCI will lose money that is very important to them.

This is the most disrespectful treatment I have ever experienced from JCI, and I am unsure that I would ever waste so much money to attend an event where we are not welcome except for the $500 we pay towards the event. In that case they will not be receiving any more money in way of registration until the Senate are provided with an acceptable program for our money's worth.
